CHART

COVERHOLDERS & RISK TAKERS EXCHANGE

[Contact Us](#) | [Ask a Question](#) | [Visit our Website](#)

We conducted over 30 meetings in London last week with 25 syndicates to promote [The CHART Exchange](#)

Each of the meetings were set up by principals from IRIS and RFIB. They will be following up with you to get your commitment to send representatives from your syndicate to the first "*Declaration of Interdependence*" in Philadelphia on October 12-14.

We have ALREADY had ten syndicate confirmations to bring teams and are well on our way to achieving our goal of one hundred risk takers attending our event. We hope you are one of our one hundred!

Also, take some time to review page 18 of the booklet (Ten Next Steps). Use it as a guide for engaging us to help you maximize the benefit of the CHART Exchange for your organization.

We've also included two of our ads to be used to recruit the best 250 Coverholders and 150 potential new Coverholders to come to Philadelphia. Click [here](#) and [here](#) to view them.

The registration system will be loaded on to the website in early April. We'll notify you when it is live.

Looking forward to having you be one of the first 500 to sign the Declaration of Interdependence !

Regards,

Glenn W. Clark, CPCU
